

Adopt A Kennel

North Clwyd Animal Rescue offers a temporary home for animals that are strays or just unwanted. We are able to do this only from the help and support received on a regular basis from people like you. Not only does this funding help provide the best possible facilities for the animals, and maintain our day to day running costs, it also enables us to make plans for the charity and look to the future for sustenance and growth.

Adopt a Dog kennel for only £5 per month

Adopt a Cat cabin for only £4 per month

Adopt a Rabbit Unit for only £3 per month

If you decide to adopt a dog, cat, or rabbit cage you will receive: -

- A certificate
- Regular updates of the animals who occupy your sponsored kennel, including photos
- A newsletter of all our activities coming up within the year
