Newsletter

Autumn - winter 2010

Founded in 1981 Registered Charity No: 515195

Overloaded with animals – foster a friend!

We are now full to the brim with animals at NCAR. So many animals need homes at present, we have waiting lists for animals to come in, so we need your help more than ever, with donations of food and bedding for our animals.

If you would like to adopt an animal from NCAR, foster an animal or just become a volunteer please come and see us today!

Halloween Open Day
Sunday 31st October

At NCAR Trelogan - 11am to 3.30pm

Remember the old fashioned Halloween games you played as a child? Well, we thought it would be fun to bring those games to the 21st century.

Bring your family along for a thrilling spooky fun day.

Refreshments will be served and there will be a competition for the best dressed child & best dressed animal.

Christmas Raffle 2010

Our Christmas raffle tickets are now available, Get yours today!!

We would be ever so grateful if you can sell these tickets to your friends and family, to raise much needed funds for our animals.

1st Prize - £1000 cash, kindly donated by the Cheese Shop, Chester

2nd Prize – 40" Television, kindly donated by Office Equipment Systems, Denbigh

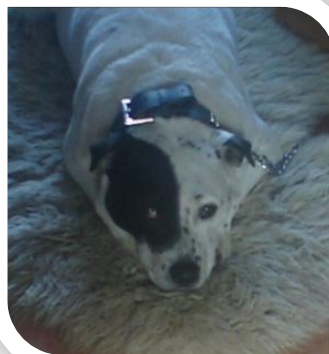

Plus many other prizes to be won

Bullseye – Happy Tail

Hi everyone at NCAR,

We just wanted to let you know how Bullseye is settling in. He is so well behaved so far he has done really well!!! The first thing he did was find a comfy place on the rug to snooze. He has also been very polite to our cats even though there has been a bit of hissing going on.

He loves his walks and is doing really well on his lead. He has only been with us for two days and he is already part of the family it, feels like he has been with us for years. We feel so lucky to have such a sweet boy and would like to thank everyone at NCAR for helping us find him. We will keep you updated and will see you in a month or so, as we would like to volunteer when possible.

Sign of the Times at NCAR

Our new stray block which was completed last year is completely filled already. The amount of stray dogs that are coming into our rescue has risen over the past few months, whilst the number of dogs claimed has decreased, so more dogs are going into the adoption process instead of being claimed by their original owners. If you have lost your dog please contact us and your local dog warden.

Why we need this vehicle?

We are looking for a 4x4 that can pull our exhibition trailer, we need a vehicle that is strong enough and that is practical, so that we can attend more shows to promote the rescue and fundraising events. Do you have, or know of a vehicle that would do the job?

We obviously cannot afford an expensive vehicle, we would be ever so grateful if anyone can donate a vehicle like this as it is very much needed!

We would love to paint this vehicle orange with black paw prints, so that it would match our exhibition trailer. If you are a company or garage that would be willing to donate this we can put your logo & names on the vehicle & on the website for free advertising!

If you can help in anyway, please let us know, call Nicky on 01745 560546 or email me at nickyowen@ncar.org.uk

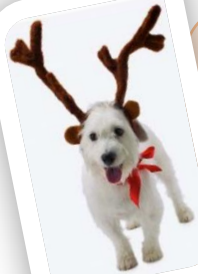

Christmas Open Day

Sunday 12th December from 11am – 3.30pm

Once again, its Christmas time and why not celebrate it with the animals at the rescue.

The Christmas Open Day is the biggest of the year, with a chance to visit all the animals and leave gifts for them in their own stockings. Father Christmas will be making a special visit to the children and dogs that come along on the day. With a variety of stalls, tombola's, raffles, entertainment and refreshments served all day, the Christmas Open day is not to be missed. We are planning to have a Christmas gift fair at this event, so if you would like the opportunity to sell your items, then please get in touch with Nicky for more details.

Christmas Dinner Appeal

Christmas will soon be here and we will be continuing our tradition of treating all our rescue animals to their very own Christmas dinner. Each year we run this appeal, all our supporters are so generous and we manage to reward all our rescue animals with a lovely turkey dinner, as they deserve a special Christmas too!

We also use the money we raise to buy extra treats & toys for them to enjoy over the festive period.

Christmas is a very special day at the rescue as we take the dogs on a festive walk, if you would like to join us on Christmas Day please feel free to come along, why not give us a call for more details.

Fostering an NCAR Animal

WHY NOT FOSTER A DOG, CAT OR RABBIT FROM NCAR?

The Foster Scheme was set up to find loving homes for the dogs and cats in our care with 'special needs'.

Often these animals have been with us for a very long time and may have been passed by as they are older, less attractive or need medical attention.

Despite their disabilities, they can make excellent companions and deserve a loving home.

We are always looking for people who would consider taking on one of these special animals.

As a Foster Volunteer you will be providing a rescue animal with a well deserved break from the kennels and the opportunity to live as a pet in your home. These homes can be permanent or temporary depending on the position of the foster volunteer. Through this experience we will be in a better position to rehome the animal permanently as we learn how it behaves in a more natural environment.

Fostering helps to get our animals into a less stressful environment, and it also frees up space at the Rescue for other animals in need. It is a very rewarding role but requires a high level of time, emotional commitment and patience.

If you feel you can give that extra special home to one of our more needy residents then we would be pleased to hear from you.

Visit our website top see some of our foster animals.
