Glen's special poem

Dear NCAR, this is a little poem and a little thank you for everything
I've wanted a dog since god knows when.
We went to Trelogan and we found Glen.
Took him for a walk down the lane and the dog rescues loss was our gain.
He's a lovely Labrador boy and gives our family so much joy.
My sister Ellysse loves to talk so we wear her out when we take Glen for a walk.
So the moral of the story goes like this, rescuing a dog can give you a life of bliss!!!! xxx ♥
Just wanted to say thank you for giving us the chance to take Glen home with us. We are so much happier and he is a brilliant dog.
Lots of love from
Steven, Samantha, Phoebe, Ellysse & Glen Griffiths xx

Fostering an NCAR Animal

WHY NOT FOSTER A DOG, CAT OR RABBIT FROM NCAR?

The Foster Scheme was set up to find loving homes for the dogs and cats in our care with 'special needs'.

Often these animals have been with us for a very long time and may have been passed by as they are older, less attractive or need medical attention.

Despite their disabilities, they can make excellent companions and deserve a loving home.

We are always looking for people who would consider taking on one of these special animals.

As a Foster Volunteer you will be providing a rescue animal with a well deserved break from the kennels and the opportunity to live as a pet in your home. These homes can be permanent or temporary depending on the position of the foster volunteer. Through this experience we will be in a better position to rehome the animal permanently as we learn how it behaves in a more natural environment.

Fostering helps to get our animals into a less stressful environment, and it also frees up space at the Rescue for other animals in need. It is a very rewarding role but requires a high level of time, emotional commitment and patience.

If you feel you can give that extra special home to one of our more needy residents then we would be pleased to hear from you.

Education Centre

Education centre project

2010 brings a new challenge to NCAR - a new education centre where we can work with school children, young adults and teachers to teach them how to care for their animals and to promote animal awareness & responsible ownership. However, this will cost around £20,000 - money that we really don't have.

If you can help with donations, or even donating materials, your time or your skills to help us with this building we would love to hear from you.

This is a huge project and we need your help to make it possible. We have set up a fundraising page on Justgiving, this tells you more about the appeal and also how near we are getting to reach our target of £20,000, visit the website below if you would like to donate.

Stray dogs at NCAR

Our new stray block which was completed last year is completely filled already. The amount of stray dogs that are coming into our rescue has risen over the past few months, whilst the number of dogs claimed has decreased, so more dogs are going into the adoption process instead of being claimed by their original owners. If you have lost your dog please contact us and your local dog warden.

Volunteer at NCAR

We always need more volunteers to help - so if you have any spare time why not help our animals. Volunteers are always welcome any day between 8am - 5pm (even on Mondays when we are shut to the public) If you are a young volunteer (aged 15 or younger) you are also welcome but you must bring an adult with you. If you are interested in becoming a volunteer at NCAR - please visit our website for more information then contact our volunteer co-ordinators - Dave Sutton and Jane Jones on 01745 560546 : dave.ncar@hotmail.co.uk We look forward to seeing you at the rescue or in one of our shops soon.
