LEAVING A LEGACY
TO OUR ANIMALS

WHY DOES OUR WORK DESERVE YOUR CONSIDERATION?

- 🐾 We have delivered high quality animal rescue services since 1981
- 🐾 We take in stray and abandoned animals and find them loving homes
- 🐾 We have a non-destructive policy with all our animals unless seriously ill and cannot be treated with veterinary care
- 🐾 We have a visiting animal behaviourist who works with our problem animals improve their potential for adoption
- 🐾 We provide loving, dedicated care for dogs, cats, rabbits and guinea pigs at our Rescue Centre and have developed a very good community reputation for our work.
- 🐾 We are a local charity who relies on individual donations and volunteers to keep our work going;
we have no, secure income streams to support us.

WHY LEAVE A LEGACY TO NCAR...

- 🐾 To ensure the high quality care we provide continues into the future
- 🐾 To maximise the opportunities for animals to find new homes
- 🐾 To cover our continuously rising costs and bills
- 🐾 To expand the scope of the animal rescue work we are able to do
- 🐾 To develop our community's animal education programme
- 🐾 To develop and train the professional staff we need to expand our services

YOUR LEGACY BENEFITS...

- 🐾 Your legacy would help our charity in so many ways. Now that our charity is forever growing we are finding more and more difficult to raise the funds for everyday running, let alone specialised projects which are so important to our growth.
- 🐾 Our main aim is to help and care for as many animals as possible, we see so many bad cases of neglect that it is so important to continue our work.
- 🐾 This is where you can continue to help the future of our charity, by leaving a gift in your will.
- 🐾 This thoughtful gift will help us a great deal, plus you will be helping so many animals in years to come, what a nice thought!

HOW WE WOULD USE YOUR KIND LEGACY?

- 🐾 It's so important to us that you have choices as to how we use your money.
- 🐾 With this in mind we have developed a **Portfolio of 'Bequest Benefits'** to ensure that your particular interest is awarded with your kindness...

- 🐾 **Animal Sanctuary Running Costs**
- 🐾 **Animal Community Education**
- 🐾 **Animal Sanctuary Premises Development**
- 🐾 **Animal Sanctuary Staff Recruitment & Staff Development**

- 🐾 All these choices are very important to our charity's future development.
- 🐾 We promise you that any Legacy left to NCAR will be used purely for **your chosen area and for the welfare of the animals.**

YOUR BEQUEST BENEFITS...

-  **Purely for the animals**
-  **General running costs**
-  **Education project**
-  **Premises development**
-  **Staff development & recruitment**

-  It is so important that you have the choices to where you want your legacy to be given to.
-  So we have many options, to ensure your particular interest is awarded with your kindness.
-  All the choices above are very important to our charities development in the future.
-  We can ensure you that any legacy left to NCAR will be used purely for your chosen area and for the goodness of our charity and animals.

HOW YOUR LEGACY WILL BE MANAGED?

-  Your Legacy will be managed within a **designated Legacy Bank Account**.
-  Your Legacy Account will be managed by the **Sanctuary's General Manager**
-  Your Legacy will **fund your Bequest Benefits area of choice**.
-  Your Legacy's use will be assessed monthly by the **Charity's Management Team** to ensure that **'best value for money spent'** is being continuously achieved.
-  We will **write to Legacy Benefactor's families periodically** to keep them informed about the outcomes from using your kind donation.
