

Thank you stories

Thank you stories from people associated with the rescue.

“NCAR really helped us when we needed support with our family pet, they were able to give us advice.”

Thank you Mr and Mrs L Sharp

Leaving a legacy to NCAR

**Thank you
for your support!**

Who we are...

North Clwyd Animal Rescue is a registered animal charity, established in 1981. We take in stray and abandoned animals and find them new loving homes. We have a non destructive policy with all our animals, unless seriously ill and cannot be treated with veterinary care, which we are proud of, we have a behaviourist who comes to work with our problem animals preventing them being put to sleep, we give them the best chance they can have to find a new loving home.

We care for cats, dogs, rabbits and guinea pigs at our rescue centre, we rely on donations and volunteers to keep our charity running.

Why leave a legacy to NCAR...

If you love animals why not leave your legacy to somewhere you know will care, love and re home animals to new loving homes.

You can be certain that your legacy will be only used to ensure that our rescue continues the work that we do now and have continued to do for 30 years. Leaving a legacy to NCAR is a great way to help rescue animals have a better life.

How your legacy would benefit the rescue...

Your legacy would help our charity in so many ways. Now that our charity is forever growing we are finding more and more difficult to raise the funds for everyday running, let alone specialised projects which are so important to our growth.

Our main aim is to help and care for as many animals as possible, we see so many bad cases of neglect that it is so important to continue our work. This is where you can continue to help the future of our charity, by leaving a gift in your will. This thoughtful gift will help us a great deal, plus you will be helping so many animals in years to come, what a nice thought!

How would we use your legacy...

We would use your legacy in whichever way you have bequested. Please be ensured that all our projects are so relevant & important to our charity and your kind gift will help make these possible.

Bequest benefits

- Purely for the animals
- General running costs
 - Education project
- Premises development
- Staff development & recruitment

It is so important that you have the choices to where you want your legacy to be given to.

So we have many options, to ensure your particular interest is awarded with your kindness.

All the choices above are very important to our charities development in the future.

We can ensure you that any legacy left to NCAR will be used purely for your chosen area and for the goodness of our charity and animals.

Management of your legacy...

Your legacy will be managed within a designated bank account. Your legacy will be used to improve and support your chosen area, we can ensure you that it will not be used in any other areas.

We have a designated person who will oversee a legacy that is left to our charity, they will ensure that your legacy is treated with care and attention, so that you know it is going to the best place possible when you have passed away.
