All the monies raised from this event will be used to refurbish one of our kennel areas. This is an area historically called "Puppy House". The pups now have a lovely new area so it is used to house our smaller dogs. Rafa, Jake, Tonto & Del along with others can be seen on our website, and all live in this area. These kennels are due a refurbishment, a new door and windows along with an insulated ceiling, would help to keep our dogs warm, whilst cutting our fuel bills and reducing our carbon footprint. New flooring would also help keep the dogs warmer through the cold winter months and help the staff in maintaining our high standards of hygiene. New lighting and paint would create a brighter feel to the kennels.
